The best shopping cities

(1) Paris is a lovely city for sightseeing, but it's also a great place to find high-quality fashion. I started in the boutiques and visited all the top names, including Cartier, Chanel, Christian Dior, and Yves Saint Laurent. I've never seen such beautiful things, but they are, of course, expensive. I bought some perfume and moved on to the huge department stores of Paris. Two of the most famous are *Printemps* and *Galeries Lafayette*, and they are definitely good places to visit. One place I found disappointing was *Les Champs-Élysées*. In the old days, it was a great place for fashion, but now there are too many shopping centres, banks, fast-food restaurants, cinemas, and airline offices aimed at tourists. It was a complete waste of time!

1 Which of the following names are mentioned in Paragraph (1)?
